30 Years of Closing with Seminole Title Company

Seminole Title Company (STC), a leading provider of real estate title and closing services, is celebrating its 30th anniversary since its founding on May 1, 1993 by Dennis R. DeLoach Jr. and Peter T. Hofstra of the law firm of DeLoach, Hofstra & Cavonis, P. A. (DHC).

Over the past three decades, Seminole Title Company has become a trusted partner for individuals and businesses throughout the region for all their real estate title and closing needs. Their unwavering commitment to delivering exceptional service has earned them a reputation as the go-to provider for reliable and efficient title and closing services.

Seminole Title Company was recently awarded "Business of the Year" at the 58th Annual Mr./Ms. Seminole Awards Dinner for its exceptional service and contributions within the Seminole Community. The founders, Mr. Hofstra and Mr. DeLoach, were both civic minded and valued the importance of community support which we continue to this day. Mr. Hofstra and Mr. DeLoach are both former Mr. Seminoles. Joe Murphy and STC continue this tradition of civic and community involvement to this day. Along with its affiliate company, the law firm of DeLoach, Hofstra & Cavonis, P.A., STC has supported a variety of community organizations and Chamber events.

"We are thrilled to be celebrating our 30th anniversary," said Joe Murphy, Esq., President of Seminole Title Company. "Our success over the years is a testament to the dedication and hard work of our team, who have always put our customers' needs first."

We are excited to take a moment to reflect on our journey and celebrate our success with the people who have helped us get to where we are today," said Murphy. "We look forward to many more years of serving the Seminole community and beyond."

If you are selling your home or commercial property, the seller generally chooses the title company that does the closing. With their 30-year history and being owned by a law firm, you know they will get the job done effectively and professionally.
